

## PRIVACY POLICY

Blue Glue is committed to protecting your privacy. Blue Glue staff will only use the information that we collect about you lawfully.

The safety systems Blue Glue develops for Clients collect information about you for three (3) reasons to:

1. Permit you authorised access to Client construction sites,
2. Provide emergency contact information (to the Client) for first aid purposes, and
3. Deliver rectifications of any support request initiated by our Clients.

We will not e-mail you directly unless you have requested assistance from Blue Glue support services. Your contact details will be retained in the Blue Glue trouble ticketing system and is only available to facilitate assistance by Blue Glue staff.

The type of information we will collect about you for Client safety systems includes:

- Your name
- Phone number
- Your employer
- Email address
- Emergency contact details

Blue Glue will never collect sensitive information about you without your explicit consent.

The information held on Client systems will be accurate and up to date. You can check your personal information on any Blue Glue safety system via the authorised Client representative.

Any personal information securely held in the support system will be in accordance with our internal security policy and the law.

If you have any questions or comments about privacy, you should contact us.
